**(334) 264-VOTE**

The League of Women Voters is a nonpartisan political organization that encourages informed and active participation of citizens in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.

The list of officials that follows was compiled by the LWV of Montgomery to assist voters in the TRI-COUNTIES in contacting their *elective* representatives, who impact local, state, and national policies. The League included Boards of Registrars, though appointed, due to their major role in the electoral processes.
